

AMAN RAJPOOT

Senior Data Analyst | FinTech & Portfolio Analytics

New Delhi, India | +91-98733 41139 | amanrajpoot101@gmail.com | linkedin.com/in/i-aman-rajpoot

PROFESSIONAL SUMMARY

Senior Data Analyst with 9 years of experience across FinTech, business analytics, operations and automation. Skilled in **SQL, Python, Power BI and Excel**, with a strong track record in reporting automation, dashboard development, portfolio analytics and forecasting. I enjoy turning complex data into clear insights that improve efficiency and help the business grow.

CORE SKILLS

Tools: Advanced Excel, Power BI, Power Automate, PostgreSQL, Jupyter Lab, VS Code, MS Office

Languages: SQL, Python, Power Query, VBA (Macros), R

Analytics: Data Analysis, Dashboard Development, Data Visualization, Reporting & MIS, Forecasting, Portfolio Analytics, ETL, Data Cleaning, KPI Monitoring

Business: Business Analysis, Process Automation, Workflow Optimization, Root Cause Analysis (RCA), Decision Support, Strategic Planning

PROFESSIONAL EXPERIENCE

Senior Associate (Senior Data Analyst)

01/2021 – 05/2026

Progcap | New Delhi, India

- Partnered with business, credit and RM teams to translate reporting needs into a **Projected AUM Dashboard** (Python, SQL, Power Automate, Power BI), delivering near real-time repayment and disbursal tracking (2–3 min latency) and next-day AUM forecasting for finance and portfolio stakeholders.
- Automated ETL and data cleaning** of 1,000+ Excel email attachments into a consistent, analysis-ready dataset, improving data quality and giving a single reliable source for disbursal and repayment reporting.
- Built the **Prog Hunt** outreach workflow (5 Power Automate flows with centralized Excel tracking) for bulk emails, weekly auto-follow-ups and response tracking, reducing manual effort and missed follow-ups.
- Developed **predictive models** (Peak AUM, Enhancement Eligibility, Projected AUM) on historical borrower data, supporting credit utilization decisions, financial forecasting and quarterly AUM planning.
- Led pipeline and portfolio analytics across **250+ brands and ~5,000 retailers**, presenting insights to business leaders to guide lead conversion and business expansion.
- Designed an **Early Warning System (EWS)** from repayment behavior analysis (Python, SQL) with automated reporting, enabling proactive credit actions and stronger risk monitoring and controls.

Operation Officer (Record Management)

03/2019 – 01/2021

ZipLoan | New Delhi, India

- Implemented a **barcode-based file tracking system** in Excel, reducing manual entry and improving retrieval speed and traceability across HQ and vendor warehouses.
- Automated **SLA tracking** so files reached HQ within 7 days, improving turnaround time and reducing manual effort.
- Prepared monthly performance dashboards and progress decks for VPs and Managers on inventory optimization and error reduction.

Operation Coordinator (DPD & Risk Share)

05/2018 – 01/2019

IndiaLends | Gurgaon, India

- Monitored DPD and risk-share performance in Excel, **increasing collections by 40%** and **reducing 90+ DPD by 25%**.

Customer Care Executive

06/2017 – 04/2018

Biryani By Kilo | Gurgaon, India

- Achieved **96% customer satisfaction** while handling 50+ inbound calls and CRM operations.

KEY PROJECTS

- Projected AUM Dashboard (Progcap, 03/2023 – 05/2026):** Python automation of 1,000+ Excel attachments for live disbursal and repayment tracking.
- ProgHunt (Progcap, 08/2025 – 05/2026):** Bulk email, follow-up and response tracking automation (Excel, Power Automate).

EDUCATION

Bachelor of Computer Applications (BCA) – Indira Gandhi National Open University

01/2023 – 07/2027

CBSE, Class 10 & 12 – Govt. Delhi School

04/2015 – 03/2017

ACHIEVEMENTS & LANGUAGES

Awards: Silent Soldier and Veteran Excellence Award (Progcap); Operation Champion (ZipLoan); Best Performer of the Month (Biryani By Kilo)

Languages: Hindi (Native), English (Professional Working Proficiency)
